

Purifying Charcoal Mask

PRICE: \$25.00 USD/\$33.00 CAD

CONTENTS: 89 mL/3.0 fl. oz.

SKU: 4101-102-02

Formulated for all skin types, this purifying mask contains probiotics and combines the benefits of the natural clays kaolin and bentonite with activated charcoal to clear pores and detoxify the skin of impurities.

TO USE: After cleansing, apply to entire face or locally on T-zone. Leave on for up to 15 minutes, rinse with warm water or wipe away with a dampened cloth. Can also be used as a blemish spot treatment by applying a pea size amount directly to the affected area.

KEY INGREDIENTS:

Kaolin & Bentonite – Natural clay ingredients that help to clear and tighten pores while purifying and detoxifying the skin.

Charcoal Powder – Effectively cleanses the skin, unclogs pores, removes deeper impurities, and dead skin cells. Dirt, toxins, heavy metals, chemicals, and other impurities are absorbed by the charcoal molecules and washed away.

Saccharomyces/Xylinum/Black Tea Ferment (Kombucha) – This natural probiotic ingredient, created by the fermentation of sweet black tea helps to restore radiance and density to the skin, resulting in smoother, brighter, younger looking skin.

Lactobacillus Ferment Lysate – This novel, green-technology probiotic helps to balance the immune system and inhibit the growth of some pathogens. It aids in recovery of the skin barrier, improves moisturization, helps reduce skin redness and regulates oil production.

Salvia Officinalis (Sage) Extract – An effective antioxidant and anti-inflammatory ingredient used to help calm and balance the skin.

INGREDIENTS:

Water/Aqua/Eau, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Kaolin, Glyceryl Stearate, Bentonite, Charcoal Powder, Cetyl Alcohol, Glycerin, Xanthan Gum, Lactobacillus Ferment, Saccharomyces/Xylinum/Black Tea Ferment, Salvia Officinalis (Sage) Leaf Extract, Methylpropanediol, Phenylpropanol, Caprylyl Glycol, Pentylene Glycol, Propylene Glycol, Phenoxyethanol
